The makeup trial needs to be arranged no later than two weeks before the actual wedding date and if possible on the same day as the hair trial so that the bride can get a good idea of the final picture.

The trial will be approximately 1 hour long, and will be done at 638 President Street Silverton – Pretoria as I have the facilities for a successful trial and your peace of mind is of utmost importance to me. *eyebrow shaping is recommended and included in the trial price.*
